JOB SUMMARY:

The Navy and Marine Corps team offers innovative, exciting and meaningful work linking military and civilian talents to achieve our mission and safeguard our freedoms. Department of the Navy provides competitive salaries, comprehensive benefits, and extensive professional development and training. From pipefitters to accountants, scientists to engineers, doctors to nurses- the careers and opportunities to make a difference are endless. Civilian careers-where purpose and patriotism unite!

This position is located with Marine Corps Base Camp Smedley D. Butler in Okinawa, Japan. As the Electronics Engineer you will provide professional engineering staff advisory, consulting and review services in electronics/electrical engineering disciplines, such as designing, selection, maintenance, repair, and construction of electrical power distribution/generation.

KEY REQUIREMENTS:

Must be registered for Selective Service, see Legal & Regulatory Guidance.
Suitable for Federal employment as determined by background investigation.
Selectee may be required to successfully complete a probationary period.

DUTIES:

- Develop design criteria and oversee the construction/installation of complex data acquisition system and control systems.
- Conduct engineering evaluation on interface protocols, bandwidth analysis, probability transmission loss rates as well as transmission mediums such as hard wire and wireless technologies.
- Provide engineering oversight and technical guidance to electrical engineers.
- Assist in planning and construction/installation of renewable technology projects.
- Evaluate previous energy studies/audits to determine feasibility of proposed projects.

QUALIFICATIONS REQUIRED:

In order to qualify for this position, your resume must provide sufficient experience and/or education, knowledge, skills, and abilities, to perform the duties of the specific position for which you are being considered. Your resume is the key means we have for evaluating your skills, knowledge, and abilities, as they relate to this position. Therefore, we encourage you to be clear and specific when describing your experience.

BASIC QUALIFICATION REQUIREMENTS

Successfully completed a bachelor's or higher engineering degree from an accredited college or university. To be acceptable, the curriculum must: (1) be in a school of engineering with at least one curriculum accredited by the Accreditation Board for Engineering and Technology (ABET) as a professional engineering curriculum; or (2) include differential and integral calculus and courses (more advanced than first-year physics and chemistry) in five of the following seven areas of engineering science or physics: (a) statics, dynamics; (b) strength of materials (stress-strain relationships); (c) fluid mechanics, hydraulics; (d) thermodynamics; (e) electrical fields and circuits; (f) nature and properties of materials (relating particle and aggregate structure to properties); and (g) any other comparable area of fundamental engineering science or physics, such as optics, heat transfer, soil mechanics, or electronics. Such education must demonstrate the knowledge, skills, and abilities necessary to do the work of the position.

OR

A combination of college-level education, training, and/or technical experience that furnished (1) a thorough knowledge of the physical and mathematical sciences underlying professional engineering, and (2) a good understanding, both theoretical and practical, of the engineering sciences. The adequacy of such background must be demonstrated by one of the following: (I) Professional registration: Current registration as a professional engineer by any State, the District of Columbia, Guam or Puerto Rico. Absent other means of qualifying under this standard, those applicants who achieved such registration by means other than written test (e.g. State grandfather or eminence provisions) are eligible only for position that are within or closely related to the specialty field of their registration; or (II) Written Test: Successfully passed the Engineer-in-Training (EIT) examination, or the written test required for professional registration, which is administered by the Boards of Engineering Examiners in the various States, the District of Columbia, Guam, and Puerto Rico; or (III) Specified academic courses: Successful completion of at least 60 semester hours of courses in the physical, mathematical, and engineering sciences and in engineering that included the courses specified in the basic requirements. The courses must be fully acceptable toward meeting the requirements of a professional engineering curriculum as described in paragraph A (above); or (IV) Related curriculum: Successful completion of a curriculum leading to a bachelor's degree in engineering technology or in an appropriate professional field, e.g., physics, chemistry, architecture, computer science, mathematics, hydrology, or geology, may be accepted in lieu of a degree in engineering, provided the applicant has had at least one year of professional engineering experience acquired under professional engineering supervision and guidance. Ordinarily there should be either an established plan of intensive training to develop professional engineering competence, or several years of prior professional engineering-type experience, e.g., in interdisciplinary positions.

ADDITIONAL REQUIREMENTS

Your resume must demonstrate at least one year of specialized experience at or equivalent to the GS-11 grade level or pay band in the Federal service or equivalent experience in the private or public sector providing consultation and review services in electronics/electrical engineering disciplines.

Additional qualification information can be found from the following Office of Personnel Management web site: <https://opm.gov/policy-data-oversight/classification-qualifications/general-schedule-qualification-standards/0800/electronics-engineering-series-0855/>

PART-TIME OR UNPAID EXPERIENCE: Credit will be given for appropriate unpaid and or part-time work. You must clearly identify the duties and responsibilities in each position held, starting and end dates (Month/Year) and the total number of hours per week.

EDUCATION:

Are you using your education to qualify? For positions requiring positive education requirements, or if you are using education to meet all or part of the qualification requirements, you must submit a copy of your transcripts or an itemized list of college courses which includes equivalent information from the transcript (course title, semester/quarter hours, and grade/degree earned). See OPM's [General Policies](#) for information on crediting education.

Education completed in foreign colleges or universities may be used to meet the qualification requirements if the applicant can provide documentation indicating that the foreign education is comparable to that received in an accredited educational institution in the United States. It is the responsibility of the applicant to provide such evidence when applying for further information, visit: <http://www.ed.gov/about/offices/list/ous/international/usnei/us/edlite-visitus-forrecog.html>

REQUIREMENTS:

Generally, current Federal employees applying for GS jobs must serve at least one year at the next lower grade level. This requirement is called time-in-grade. **All qualifications must be met by the closing date of this announcement and clearly documented in your resume.**

Selectee is required to participate in the Department of Defense direct deposit of pay program.

Driver's License Requirement: Position requires the employee to drive a motor vehicle. An appropriate, valid driver's license is required for the position.

Occasional Travel: You will be required to make occasional travel to other locations (mainland Japan, Korea, CONUS) is required.

Selectee may be required to obtain and maintain a government travel card.

HOW YOU WILL BE EVALUATED:

When the application process is complete, your application package will be reviewed to determine if you meet the hiring eligibility and qualification requirements listed in this announcement. You will be rated based on the information provided in your resume and your supporting documentation to determine your ability to demonstrate the following knowledge, skills, and abilities/competencies:

- 1. KNOWLEDGE OF ELECTRONICS/ELECTRICAL ENGINEERING CONCEPTS AND PRINCIPLES**
- 2. KNOWLEDGE OF ENERGY CONSERVATION PROJECTS**
- 3. SKILL TO CONDUCT FACILITY ENERGY AUDITS**

If, after reviewing your resume and supporting documentation, a determination is made that you inflated your qualifications and/or experience, your score may be adjusted to more accurately reflect your abilities or you may be found ineligible/not qualified.

Please follow all instructions carefully. Errors or omissions may affect your rating or consideration for employment.

BENEFITS:

Department of the Navy offers a [comprehensive benefits package](#) that includes, in part, paid vacation, sick leave, holidays and a 401K-type retirement plan.

A final determination for overseas benefits will be made at time of tentative selection based on both position and personal eligibility.

Overseas allowances may be authorized in accordance with Department of State Standardized Regulation (DSSR), DoDI 1400.25, and applicable Department of the Navy policies.

A service agreement may be negotiated in accordance with the Joint Travel Regulation (JTR), applicable Department of the Navy policies

OTHER INFORMATION:

This Position is subject to Department of Defense Priority Placement Program.

This announcement may be used to fill additional vacancies.

Recruitment incentives may or may not be authorized.

A tentative offer of employment will be rescinded if the selectee fails to meet the pre-employment requirements, including failure to report to any of the scheduled appointments.

Initial tour of duty is **24** months. Family members are tied to the sponsor's tour.

In the overseas areas, access for civilian employees and their families to military medical and dental treatment facilities is on a space-available and reimbursable basis only. Medical care may be provided by host nation providers. The availability and level of care at host nation medical facilities will vary by location. Movement overseas may require you to initiate a change in your health benefits plan to ensure coverage.

The Department of the Navy uses E-Verify to confirm the employment eligibility of all newly hired employees. To learn more about E-Verify, including your rights and responsibilities, visit www.dhs.gov/E-Verify.

Dual citizenship: If you are a dual citizen, please identify the countries of citizenship. The NATO Status of Forces Agreement prohibits employment in the U.S. Civilian Component in a host nation of any person who holds dual citizenship of the U.S. and that host nation. For example: A person who holds both Italian and U.S. citizenship may not be employed in the U.S. Civilian Component in Italy; however, that person is not prohibited by the NATO Status of Forces Agreement from employment in the U.S. Civilian Component in another NATO host nation of which (s)he does not hold citizenship.
