## **Camp Mujuk (Korean meaning “Invincible”)**

The information below is meant to serve as a basic introduction to your assignment at Camp Mujuk, Republic of Korea; the only “Marine Corps Installation” on the Korean Peninsula. We are the tip of the spear here in Korea, which means we have to be ready to support all Marines, Sailors, Soldiers, Airmen and foreign military members who may come here for training, exercises, and combat. The Camp and its Marines support bi-lateral training between our host country and other branches of service. Camp Mujuk is a dependent restricted tour of duty. All inbound personnel will be assigned a sponsor to aide in their transition to Korea. Stay in contact with your sponsor regularly with updates on your status and be sure to ask questions as they arise. Constant communication will be a critical part of making your transition go as smoothly as possible. Our goal is to make this move as painless and easy on you as possible, so help us help you.

### **How are you flying to Korea?**

#### **Commercial**

DMO (Defense Management Office/Travel Office) needs to book your flight commercially into either city of Busan or Daegu. You will most likely fly into Incheon International Airport (ICN). Camp Mujuk is located four hours away from either Seoul or OSAN Air Force Base which may require you to either take the KTX (train) to **Singyeongju KTX Station** or remain overnight in the Turumi Lodging Facility (Osan AFB) or Dragon Hill Lodge aboard the Army Garrison Base in Yongsan, Seoul. **Ensure you communicate with your Sponsor to assist you with transportation to Camp Mujuk.**

#### **Military**

“The Patriot Express” is government contracted transportation administered by the Air Force Air Mobility Command (AMC). It is the primary means to get military members of all services from CONUS to Japan and the Korean Peninsula. The Patriot Express departs from Seattle-Tacoma International Airport twice a week. Your local travel office might make arrangements for your seat aboard the Patriot Express. As soon as you receive your flight information, immediately forward it to your sponsor. Your sponsor will make arrangements to pick you up or provide you with follow on travel instructions if needed.
