The screenshot shows the SAM.gov website interface. At the top left is the SAM.GOV logo. To the right is a 'Sign In' button. Below the logo is a navigation menu with 'Home', 'Search', 'Data Bank', 'Data Services', and 'Help'. The main content area is titled 'Contract Opportunities' and includes a 'Legacy Website' link with an FBO icon. A text block explains that contract opportunities are procurement notices from federal contracting offices and lists types like pre-solicitation notices, solicitation notices, award notices, and sole source notices. It also mentions a partner site 'grants.gov'. To the right is a 'Federal Users' section with a 'Sign in to get started' button and a 'Go to Contract Opportunities Federal home' button. Below this is a 'Search Contract Opportunities' section with an 'Advanced Search' link, a search input field containing 'e.g. W91QVN-17-R-0088, light bulbs', and a 'Show active only' checkbox. At the bottom, there are two expandable panels: one with a minus sign and the text 'Get started searching contract opportunities' containing links for 'Use the search feature on SAM.gov', 'Follow contract opportunities', 'Save my searches', and 'Use the interested vendors list'; and another with a plus sign and the text 'Use contract opportunities advanced search'.
