**United States  
Marine Corps  
Support Services**

The Marine Corps is deeply concerned about allegations regarding the derogatory online comments and sharing of salacious photographs. This behavior destroys morale, erodes trust, and degrades the individual. The Marine Corps does not condone this sort of behavior, which undermines our core values.

The Marine Corps support structure provides many avenues for Service members, their dependents, and civilians to seek information or referral or access advocacy services. While most of these support services offer confidentiality, the Victims' Legal Counsel and Chaplains are the recommended confidential resources.

For any questions regarding the resource information listed in this pamphlet or for referral, call (703) 432-9044 or (703-784-4975). If there is no answer, leave a voicemail. Your call will be returned.
