PLEASE NOTE: DEOMI lists only observances established by law, bill, or resolution of Congress. DEOMI does not create themes, except for Days of Remembrance. Nothing precludes an organization from creating their own theme or using previously published themes. Organizations are not required to limit their special observances to just those reflected here. Organizations are reminded that special observances are conducted to recognize the continuous achievements of all Americans to American culture and to increase awareness, mutual respect, and understanding. They are designed to enhance cross-cultural and cross-gender awareness and promote harmony among all military members, their families, and the DOD civilian workforce. For more information about how to conduct a special observance, please visit: www.deomi.org.
